Comments:

10/31/2000 - Letter sent closing file as no work has been done here except assessment work. No mining is allowed unless new notice is submitted, permit fee paid and approval received from USFS & DOGM.

9/6/00 - Doug - Phone call to operator and was informed the USFS will not let him to any work here until posts \$3600 bond. He is not going to do this, so wants file closed. DOGM will list status as "inspect".

8/25/00 - Received new notice - which is incomplete.

1/20/2000 - Received 1999 annual report - stated annual assessment work only. Said last active in 1979. Haven't decided on plans for future.

9/30/99 - Received 1998 annual report and request to close file. Report stated mine was last active in 1985. No disturbance. Assessment work
